

# TPH® Physical distancing solutions

## Countertop Safety Shield

These high-quality, Canadian made barriers help to keep you and your customers safe. The base of the shield has a slot - allowing for easy, comfortable transactions and are available in 3 different sizes.

*\*Please note: this product needs assembly and may take 3 to 5 days depending on quantity.*

## Entrance Poster

This 24" x 36" adhesive poster will clearly communicate your business' social distancing measures at all store entryways. Ensure customers are aware of your preferred social distancing best practices - so that all patrons feel comfortable and confident.

## Floor Sign Decal Set

This 12" x 12" floor signage shows your customers the appropriate spot to form well-spaced lineups. Prevent confusion by clearly communicating lineup areas. Vinyl floor decals are non-slip and easy to apply to all floor types!

## One-Way Directional Decals

Alleviate aisle traffic while ensuring store patrons' 6ft space is respected. Floor decals are created with non-slip vinyl - making them easy to apply to all floor surfaces.

## More signage options and customized versions available!

Change the look, colour, and shape of any of these products. Don't see what you're looking for? Talk to your TPH Manager to discuss the possibilities!
