Unlock the Power of Food

Good food builds healthier people.

Research shows that employees with an unhealthy diet are 66% more likely to experience a loss in productivity than those who regularly eat whole grains, fruit and vegetables.¹ Workplace meetings, events and conferences offer an excellent opportunity to serve nutritious food choices while demonstrating an employer's commitment to employee health.

The International Centre is committed to offering health and wellness food choices paired with hospitality and culinary excellence. We proudly partnered with Registered Dietitians Lucia Weiler and Sue Mah, Co-Founders of Nutrition for NON-Nutritionists™, who developed the criteria for our Health & Wellness menu items. These menu items are identified with an 'hw' in the menu and follow evidence-based guidelines for healthy eating in alignment with Health Canada, Canadian Food Inspection Agency, and the province of Ontario, as well as meet professional practice standards for Registered Dietitians. Our Health & Wellness menu items offer a variety of seasonal and local options which unite health with flavour!

About Nutrition for NON-Nutritionists™

Thinking Global. Acting Local.

Our Kitchen

It all starts in the kitchen. Our 8,000 square feet state-of-the-art Culinary Centre uses Eco Smart technology that drastically reduces energy and water use.

Our Food

Local sourcing with great partners is the main source of inspiration for our culinary team including a collective of local farmers and our roof-top garden. Wherever possible, we try to provide options that leave the smallest possible footprint on the earth.

Your Health

Fueling your event is a key to success and we're here to equip you with just the right selection. Our commitment and focus on healthier options is perfect for that fast-paced, event lifestyle. Leave it to us to get you the right fuel.

Our Community

We've been part of this community for well over 50 years and are committed to our local roots. From food share and youth outreach to scholarship and mentorship programs, it's part of who we are.

Our Packaging

We provide a full array of products that are fully compostable and/or made from recycled materials. Everything from plates, cups, cutlery and napkins have been carefully sourced with the future in mind; and we are always working on looking for the next best thing.

Our Waste

It ends with waste and believe we are in it together. At The International Centre, we are committed to a proper path of waste diversion and continue with our efforts to minimize contribution to landfill. Whether recycling our packaging or composting oil and food waste, we are committed.

Local produce and ingredients may be subject to availability.
