CUSTOM DISPLAYS

The Hamilton Tiger-Cats reached out about a quick-turnaround project to create concert signage for their Home Field concert. We knew fabric was the perfect fit! With Billy Talent headlining the event, they needed a standout solution that would impress a crowd of music fans. The 27' x 30' banners were printed on fabric and produced in only 72 hours, providing a stunning backdrop for the show.

CUSTOM DISPLAYS

Come to us with your most creative custom display ideas and we'll bring them to life! From brainstorming, concept development and prototyping to high quality production, our experienced team can execute your vision on time and on budget. Our national network has the resources and capabilities to create unique and personalized solutions for your company, including custom exhibit production, delivery, display fabrication and removal.

YOUR PERSONAL CONSULTANT

When you work with TPH, you have a dedicated Solutions Manager helping you navigate every project. Think of our Managers as your personal business consultants. We get to know your unique business needs so we can help you make the best decisions to showcase your brand and promote your business in innovative ways.

With the TPH network of more than 70 locations nationally, you can work with the location that's best for you and have your project produced close to its destination! By producing your job locally, we can help you save on shipping costs and cut down turnaround times to get your job where it needs to be faster.

Get the help you need every step of the way.
